

REMARKS

The Applicants wish to thank the Examiner for his review of the present application. Claims 69-72, 75-77, 80-92, 94-98, 100-118 and 120 are currently pending. Applicants have amended claims 69 and 80 herewith. No new matter has been added.

Information Disclosure Statement

The office action requests that Applicant identify references listed in the IDS which may be of particular relevance to the claimed invention. Applicant has reviewed the references in light of the current claim amendments and is hereby providing a list of references that may have particular relevance.

Additionally, Applicants would like to note that a supplemental information disclosure statement is being filed herewith. Applicants request that the examiner also consider the references cited therein.

Claim Objections

Claims 69-72, 75-77, 80-92, 94-98, 100-118 and 120 are objected to due to claim informalities in independent claims 69 and 80, namely that they recite “of volume.” Applicants have amended claims 69 and 80 such that they now read “of volume.” Accordingly, Applicants believe that these objections are now moot.

Conclusion

It is believed that the application is now in order for allowance and Applicants respectfully request that a notice of allowance be issued. Applicants believe that a three month extension is required and hereby request that the associated fee be charged to Deposit Account No. 19-4972. Applicants request that any additional fees required by this paper be charged to, or any overpayments be credited to, deposit account number 19-4972. Applicants also request that the examiner contact the undersigned, if it will assist in processing this application through issuance.
